Hello Kitty

## HELLO KITTY PROJECT

SKL owns the license of Sanrio Japan for creating and manufacturing a series of travel products for Hello Kitty. Hereon, we present a complete product programme, from the color selection, product selection, and the final form of sales presentation.

If you have various images of intellectual property (IP), we can discuss in depth. Our designers will work with you to help plan and develop a range of travel products.

Hello Kitty ✧

### Sleeping Project

Having a good rest is the most important thing during the trip. It determines the quality of the trip during a long-distant flight. Therefore, we have designed a sleep programme for Hello Kitty, which we chose the most commonly items with the most comfortable material as it helps the sleep a lot.

**Sleeping Mask**  
LT-611

With the super soft material which is different from the market, it lets the users get the greatest comfort.

IMG 15

**Sleeping Pillow**  
LT-623

We have designed 2 items in different material, one is memory foam, the other is micro-beads pillow.

\*Please check page 27 for more info.

Hello Kitty ✧

### Luggage Security Project

In order to prevent the luggage from being lost or collected by mistake, we have designed 3 items for it.

**Luggage Tag**  
LT-733

There are two different material tags in this line, which helps distinguish the luggage with Kitty design.

**TSA Luggage Lock**  
LT-654

To meet the users' different needs, we have designed some locks. For the customers going broad, the TSA locks are available.

**Luggage Strap**  
LT-741

The buckle is designed in composite material, which makes the buckle smooth, elastic and not easy to crack.  
\*Please check page 22 for more info.

\*TSA® is the trademark of Transportation Security Administration. SKI has the license of TSA lock worldwide as trading agent.

### Passport Holder Project

During the trip, there will be passport, credentials and tickets in you bag, it's so hard to find. Considering this situation, the passport holder has been chosen and designed. Users can keep the passport, credit cards, tickets, notes and cash separately in passport holder which designed with multi-pockets. Trip is so easy.

PAGE 17

Passport Holder  
LT-770

The size is same as the passport, which is also welcomed by the users who like compact products.

Travel Wallet  
LT-780

The longer passports are suitable for the people who like the classification of all the tiny items.

### Travel Organizer Project

We studied the travel habits of the young people, they don't have a suitable bag for the storage of their belongings. Thus we have designed a set of travel storage bags, especially for the clothes, shoes, chargers, etc. Besides, we did some fine treatment in the specifics of the bags, except the materials, all the zippers are designed to be the shape of the Hello Kitty bow-knot, which adds the element of Kitty.

Electronic Storage Bag  
LT-781

In order to better protect the electronic equipment, we use the waterproof materials to make the storage bags.

\*Please check page 35 for more info.

Laundry Bag  
LT-762

When folded, the size is equal to that of the phone. You can put it anywhere as you like. Moreover, the bag has big volume.

Travel Storage Kit  
LT-761

It helps organize and classify clothes to make it clean and tidy, also prevent clothes from being dirty and lost.

\*Please check page 34 for more info.

Hello Kitty ㄨ

### Toiletry Organizer Project

The young people prefer to use their own toiletries, but their own bottles are always too big to be carried into the cabin. Also some people have many daily-used cosmetics but without suitable storage bags, that make the luggage in a mess. Thus we have designed a set of travel toiletries storage bags, you can pack the toiletries into small bottles, and then put all into a small storage bag.

Hanging Toiletry Bag  
LT-692

They will be used for the toiletries, skin care products and cosmetics' storage. here is a hook inside the bag, which can be conveniently hung on the door, hook rack and towel rails, very easy to use.

\*Please check page 36 for more info.

Toiletry Kit  
LT-672

This kit is compliant for toiletry carry-on-regulations from international standard flights. It is suitable for dispensing shampoo, shower gels, facial cleansers, lotions and so on, very compact, simple and elegant. \*Please check page 31 for more details.
