As original as you choose to be

The next level in originality

When your wish-list calls for a more specific level of customisation, WorldSource delivers it. Discover a greater choice of colours, features and tailor-made details.

Our inspiration. Your personalisation.

WorldSource satisfies different customisation needs through a choice of step-by-step Programs and individual item adaptation. Our template-approach provides an easy way to create highly personalised versions of a wide selection of items. When you need to be even more specific, our fully-customisable collection can be produced according to your preferred colours, sizes and details.

Your unique Safety First message

New to WorldSource for 2016, our Safety First Program with plasters, care-kits, first-aid kits and reflectors provides caring giveaways that meet current CE standards. Colourful and designed to raise a smile, these lighten the mood when mishaps happen and, in the case of reflectors, help avoid unwanted incidents. Customisable in a variety of ways, these are a great opportunity to stamp your name on appreciated little helpers.

Custom sourced

If you can't find exactly what you're looking for among our catalogue items, that doesn't mean you can't have it! WorldSource has a vast global network of suppliers who, between them, can produce and customise just about any item. Simply tell us what you'd like and we'll find out how to get it for you.

Be original – your own way.

Printed Plasters

A basic essential in everybody's first aid box, plasters provide comforting protection after a myriad of mishaps. They also present a quirky way of reminding people about your company's caring nature. At home, in the office or on-the-go. The ability to decorate both the plasters and the packets or minikits they come in means your message gets through whether or not a minor emergency takes place.

All products conform to CE standards.
